For the above mentioned days, students may attend classes physically at school, if feasible. However, if commuting is inconvenient due to limited transport availability, they may attend classes online using the link that will be provided on 27th morning in the class groups & NASCORP.

**Guidelines for Attending Online Classes:**

1. Online attendance will be taken after the completion of each class & it will be granted only when the students will attend all the classes allotted in a day.
2. Students must ensure uninterrupted internet connectivity for the duration of the classes.
3. Students may log in using a laptop, desktop, tablet, or mobile device, depending on availability.
4. Students must join the session 5 minutes prior to the scheduled time and from a noise-free environment.

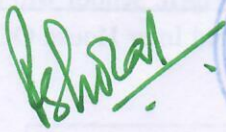

5. It is mandatory for students to be dressed in proper school uniform along with ID card and to keep their video on during online classes
6. Students must keep their books and notebooks ready as per the timetable, which will be provided in due course of time.
7. Do not log off in between two classes; you may keep your video off during that time.
8. Students are expected to maintain discipline and decorum as in regular classroom settings.

The school shall not be held responsible for any disruption in learning arising out of technical or connectivity issues at the user's end.

Your understanding & cooperation is anticipated in ensuring the students learning without disruption.

Thank you.

Best regards,
